Docket No. ACR2015

NOTICE OF THE UNITED STATES POSTAL SERVICE OF FILING  
OF REVISED PORTIONS OF USPS-FY15-4 -- ERRATA  
(March 25, 2016)

The Postal Service hereby gives notice of filing of revised portions of the material indicated below as part of the public annex in this proceeding:

**USPS-FY15-4      DOMESTIC MARKET DOMINANT BILLING  
DETERMINANTS**

These revisions relate primarily to Bound Printed Matter, and also the Move Update adjustments for First-Class Mail and Standard Mail. Details on the revisions are discussed further in the revised Preface. Quantitatively, none of these revisions are particularly material, but they are submitted primarily to consolidate in ACR folder USPS-FY15-4 the most up-to-date set of FY2015 billing determinants. The disk provided is a supplemental disk, as it contains only those billing determinant files that are being revised (rather than a complete set of all files originally submitted). Similarly,

the only new hard copy pages provided are those with revisions.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:
